Press Release

Vuzix Appoints Pete Jameson to the Role of Chief Operating Officer

ROCHESTER, NY, January 11, 2022 – Vuzix® Corporation (NASDAQ: VUZI), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, is pleased to announce that the Company has appointed business operations, manufacturing, and technology veteran Pete Jameson to the open role of Chief Operating Officer (COO). Mr. Jameson joined Vuzix in January 2021 and had served as General Manager of Vuzix until this appointment.

Mr. Jameson brings a wealth of general management and operating experience to his new position. Prior to joining Vuzix, he served as COO of Osterhout Design Group (ODG), a leading wearable technology company that developed and manufactured mobile, self-contained and lightweight head-worn mixed reality smart glasses with photo-realistic imagery. While there, he helped transition ODG from a prototype shop to a commercial product company with a full product commercialization process, contract manufacturing, an ERP system and a worldwide distribution channel. Prior to ODG, Mr. Jameson was a General Manager & Vice President at Eastman Kodak, where he headed the start-up and growth of new, entrepreneurial businesses that drove rapid worldwide growth in new product categories including digital cameras/SLRs, digital displays, digital media adapters and digital video cameras. While at Eastman Kodak, Mr. Jameson grew revenue in these businesses from \$0 to hundreds of millions of dollars in revenue and gross profit. Immediately prior to Vuzix, Mr. Jameson was an Executive Management Consultant working with micro-display companies on business and technology planning for the AR/VR industry.

Mr. Jameson holds a Bachelor of Science Electrical Engineering degree from Union College in Schenectady, New York and a Master of Business Administration degree from the University of Rochester Simon School of Business in Rochester, New York.

"I am excited to expand my role as part of the executive management team at Vuzix and have the opportunity to contribute to the success of a company that has already established itself as a leader in the AR smart glasses space," said Mr. Jameson. "I look forward to working closely with our CEO and Founder, Paul Travers and the entire organization, bringing my knowledge and experience to bear on the execution of Vuzix' business plan and strategy and driving continued growth."

"Pete is an accomplished, hands-on executive with a 20-plus year track record of building and scaling B2B/Consumer growth businesses in Silicon-Valley, corporate and international environments. He's also an innovative problem-solver with a unique balance of managerial and operational expertise coupled with marketing, technical and product commercialization skills, as well as being an excellent communicator with employees and external audiences," said Paul Travers, President and CEO of Vuzix. "As Vuzix prepares to enter an exciting new growth phase of our business, we couldn't be in more capable hands with Pete at the operations helm. Vuzix looks forward to leveraging his unique industry experience, skill set and leadership abilities to help carry this company to the next level of excellence as an industry leader in augmented reality and wearable display technology."

Press Release

About Vuzix Corporation

Vuzix is a leading supplier of Smart Glasses and Augmented Reality (AR) technologies and products for the consumer and enterprise markets.
